find services

gain knowledge

remain independent

be heard

"The Network of Care concept solves a problem in health care that everyone has! How do you locate a service or a program if you don't know its name or whether it is offered in your county? Here is the answer. Once one starts to use this Web site, the discovery of more and more features will be a pleasant surprise. This is the first practical solution I have utilized in solving the fragmentation-of-services riddle."

Paul Cumming
Consumer and Advocate

for Behavioral Health

Service Directory

For information about specific services, search the Service Directory, which has contact information for behavioral health and supportive services provided by schools, clinics, hospitals, research foundations, and other community-based organizations.

Library

Through a groundbreaking partnership with Healthwise Inc., Network of Care is able to offer unbiased, evidence-based information on more than 4,000 health topics in our Library. Find helpful, fresh information on health conditions, medical tests and procedures, medications, and everyday health and wellness issues in this world-class resource.

Legislate

Use our amazing bill-tracking section to follow state and federal legislation, receive e-mail alerts and communicate directly with lawmakers before they vote.

MY FOLDER

My Folder is a private, secure place to keep important information about your health care, community support services, and more.

Emergency Services

Region 3

Welcome to the Network of Care for Behavioral Health, provided by the [Nebraska Department of Health & Human Services' Division of Behavioral Health](#). This Web site serves the Region 3 counties of Adams, Blaine, Buffalo, Clay, Custer, Franklin, Furnas, Garfield, Greeley, Hall, Hamilton, Harlan, Howard, Kearney, Loup, Merrick, Nuckolls, Phelps, Sherman, Valley, Webster and Wheeler.

This Web site is a resource for individuals, families and agencies concerned with behavioral health. It provides information about behavioral health services, laws, and related news, as well as communication tools and other features. Regardless of where you begin your search for assistance with behavioral health issues, the Network of Care helps you find what you need - it helps ensure that there is "No Wrong Door" for those who need services. This Web site can greatly assist in our efforts to protect our greatest human asset - our beautiful minds.

Links

The hunt is over – we've rounded up the Web sites for the government programs and nonprofit organizations that specialize in behavioral health issues. Just click, and you're there.

Insurance

Learn about the health coverage available in your community with one-click access to health plans, insurance carriers, and a variety of low-cost insurance programs.

Support & Advocacy

Find out about the organizations that provide valuable support to individuals and families living with mental illness, substance abuse or developmental disabilities, as well as presenting a strong voice of advocacy with the treatment community, public and private bureaucracy and public policy makers.

EMERGENCY SERVICES

With one click, this section gives you crisis information and referrals for children, adolescents and adults.

FOR PROVIDERS

Service providers can share challenges and ideas here. Agencies can use our private message boards, create their own Web sites and much more.

NEWS

Current headlines affect you. Every day, we bring you the top state and national news about behavioral health issues, public policy and more.
